Feed Management Systems, Inc. Earns Microsoft Business Solutions President's Club Recognition

Brooklyn Center MN, USA — July 26, 2006 Feed Management Systems recently received recognition from Microsoft for outstanding customer commitment and sales achievement and was named to the Microsoft® Business Solutions President's Club. This recognition honors Business Solutions reselling partners whose commitment to customers is reflected in their business performance and high level of sales achievement and customer satisfaction.

"We are very proud of our tenured relationship with Microsoft Business Solutions and the technology benefits that we can extend globally," said Rich Reynertson, CEO of Feed Management Systems. "To be chosen as a member of this elite membership is a real honor, and we owe this success to our outstanding team members and the loyalty of our feed manufacturing industry customers."

"Microsoft congratulates Feed Management Systems on achieving President's Club status," said Microsoft Corporate Vice President Craig McCollum. "Feed Management Systems truly understands how important customers are to Microsoft and has gone out of their way to make the customer's experience a positive one."

About Feed Management Systems

Feed Management Systems, Inc. (FMS) is an award-winning software solutions company and a worldwide leader in solutions that link critical information between feed manufacturers and their suppliers and customers. FMS helps feed manufacturers attract and retain customers by providing the information infrastructure required to operate effectively in the dynamic and complex feed manufacturing environment. For over two decades, FMS has helped ensure the safety, quality and affordability of the global feed supply by providing solutions to automate and optimize formulation, pricing, ordering, labeling, delivery, risk management and regulatory compliance. FMS is a Microsoft Gold Certified Partner with proven competencies in ISV/Software Solutions and Microsoft Business Solutions. FMS has also been recognized by the American Feed Industry Association with their 2004 and 2005 "Food Safety Innovation" awards; Microsoft Business Solutions Outstanding ISV Partner of the Year – Partner Choice Award for Excellence; and Computer Reseller News's Best in Show – MBS Partner of the Year award.
